

SOLUTION

As per the problem, PVS Cinema Hall needs an online ticket booking facility. As a solution we would suggest to develop a customized and personalized Online Ticket Booking System for PVS Film City.

PVS Film City in Kozhikode is a multiplex: one of its own kind and has its own unique facilities. So it needs a lot of customization which is best obtained if we create a customized software.

TIME/COST

TIME : 6-10 Weeks

COST : 30000 INR [10000(Website Building)+5000(SSL)+5000(PAYMENT GETWAYS)+10000(PROFIT)]

STEPS

1. We take the requirements from PVS FILM CITY AUTHORITY .
2. We approach some well-known Website Building Organization and show them the requirements.
3. If they agree to build the Online Booking site as per the requirements then we take the budget approx. and estimated time . We also take design from them.
4. From the designs obtained we choose the best one having a reasonable estimation.
5. Now we will approach PVS with a complete solution including the price and approximate time to build it. If PVS acknowledges the solution we will proceed with the same.
6. In the process we will also include our fee within this estimated budget.
7. Now we will also take into account the maintenance part.
8. Maintenance includes renewal of various licenses. We will send them reminders prior to their license expiry. Maintenance also include changes in the Online Booking site as per the future requirements .
9. The whole procedure follows **WATER-FALL MODEL**.
 - Requirements : Provided by PVS film city authority.
 - Design and Implementation : Done by Website Building Organization
 - Verification and Maintenance : Done by our team.
